Supplemental Educational Services (SES) Provider Summaries 2011

To schools in second and subsequent years of school improvement status:

The summaries of the providers' information are organized by areas of the state. This section includes those that will serve all districts/LEAs in the state. Copy this whole section into your document to send to parents. Then go to the regional sections and choose the providers who will serve your district/LEA and include those summaries in the parents' document. **You must inform eligible parents of all providers who are approved to serve all districts/LEAs and your district/LEA.**

To Parents: Summaries of services offered by the state's approved Supplemental Educational Services (SES) providers for after-school tutoring are included below. If you have questions about a program or other information given by the providers, contact the building principal or other district contact person provided in the SES letter.

NOTE: Evidence of Effectiveness is often based on the provider's own assessments.
