Bayless School District provides an internet product called: SISK12 Parent Portal. This product will allow parents/guardians to use the internet to check various aspects of their student's records. This service is optional for your family. An email address is required in order to participate. The purpose of the email address is to send you a confidential and personalized user id and password which will permit you to gain access to your student's data on the secure web server. The **ONLY** way to receive your user id and password is by email. The school office can not give it to you nor do they have access to your password.

Please write in the e-mail address for student information notifications. **PLEASE PRINT LEGIBLY** so that your email addresses can be properly entered into our computer system.
