March 17, 2020

Dear Bayless School District Community,

During this difficult time, Bayless has arranged to provide breakfast and lunch for all our community's students during the recently announced school closure. Bayless will provide "To Go" meals beginning on Monday, March 23, through Friday, April 3. Each day, a packaged lunch will be provided, as well as a breakfast for the following day. All meals will be a cold option. Your student must be present to receive his or her meals for the day.

In order to provide our food service staff with accurate counts and to minimize waste, we ask that you please complete the form at this link - [Bayless Emergency Meal Form](https://forms.gle/K3Vmxyrf5HybKHc87). <https://forms.gle/K3Vmxyrf5HybKHc87>. Details about this program are included on the form. If you do not complete a form, there may be a delay in processing and providing your meal.

Our administrators and teachers have prepared alternative forms of instruction for your students during the school closure. We will share this information with you later this week. You will receive information from your school's teachers and/or principals regarding class instruction and how to access technology (if needed).

Our goal is always to protect the safety, health, and wellness of our students, staff, and families. Our strength as a community is our greatest asset. In making this decision, we are working together to protect each other and slow the progression of COVID-19.

We will continue to remain in contact with public health officials, elected leaders, and neighboring school districts and keep parents and media updated with new information as it becomes available. We thank our Bayless school community for its support and partnership in this effort.

Sincerely,
Ronald J. Tucker
